

FREEDOM

The North River Freedom is packed full of all the right features to perform your daily Fire / EMS duties. This purpose-built Fast Response Rescue / Fire Boat is designed specifically for those departments protecting smaller marinas, lakes, bays and shallow water shorelines. Available in 21' - 26' and easily trailerable with a wide 8' 6" beam, the Freedom offers firefighting capabilities from 200 GPM to 500GPM. A spacious aft mounted T-Top Center Console, wide bow loading ramp, folding side dive door, Scuba/SCBA tank storage and center mounted fire engine compartment are just a few highlights of this affordable highly maneuverable Fire / Rescue Boat.
