The Innovative 20’ North River Cascade is the culmination of our commitment to provide an affordable yet rugged fishing vessel. The Cascade is both practical and refined and possesses North River’s unmistakable DNA. You will notice the unparalleled strength and finish while on anchor, and you will savor the performance and efficiency while running to your favorite fishing hole. The Cascade’s precision welded engineered hull includes a wide bottom, extruded chines, tall sides and formed gunwales, all of which contribute to its comfortable ride and overall performance. The all-new 20’ Cascade affords you the opportunity to discover new adventures on a lake or river near you. Life is about choices, and life is definitely better in a North River Cascade.
