

SCOUT

LIFE IS BETTER IN A NORTH RIVER!

Unfortunately, wherever your desk is, a river guide's office view is always going to beat yours. So take a cue from the pros: river guides enjoy open floor space under open skies with the stable, 360 degree fishability of the Scout. Think your fishing deserves more than a "good" boat? Then arrive in the best open fishing boat on the water, get down to business (and enjoy the view).
