

# SEAHAWK INBOARD

## LIFE IS BETTER IN A NORTH RIVER!

The versatile Seahawk Inboard jet is fine-tuned for fishing but perfectly capable of providing your family spectacular days of recreation on the water. Fishing purists have long championed the extremely well-built Seahawk as the most comfortable, smooth riding, spacious and stable fishing platform in its class. As a builder of world-class jet boats for over 40 years, it was inevitable – we gave the extremely fishable Seahawk an inboard jet option that runs less than 10" on plane, yet still provides the comfortable ride the Seahawk is famous for.
