

PILOT

Proven Safety and Comfort for the Crew

Based upon Liberty, Sounder or RAIV hulls, our Pilot Boats are built to safely convey pilots to and from a range of vessels in varied sea conditions, from either rooftop or bow, propelled by outboard, diesel or diesel waterjet engines.

USES

Pilot Boat • Crew Transport

CABIN CONFIGURATIONS

Our standard pilot boat cabin design is time-tested to suit the needs of crew and pilots. However, if you have special needs for your cabin, please ask.

POWER OPTIONS
