**Life is better in a North River**

## High Speed. High Performance.

Unleash the power of ultimate speed and unmatched performance. With a 22° hull entry and a 12° deadrise across all models, this boat represents the pinnacle of heavy gauge aluminum craftsmanship—tough, safe, and stunningly beautiful. Featuring a robust .190 transom and a 26" interior side height, it's built to excel in any marine environment.
